RIPPER SHANK LIST

ABOUT F&L

F&L focuses on high quality parts for excavators and bulldozers. At F&L, 100% of our ripper shanks from OEM factories directly, so you'll get exactly the same parts which are delivered to OEM market, as well as to some prestigious Italian and Korean brands. Behind each product we sell, there's a professional supporting technician team.

ABOUT RIPPER SHANK

To cut through hard compact conditions, at F&L, we supply an extensive range of bulldozer ripper. All ripper shanks could be provided with ripper tips and shank protectors. Ripper shanks are of one-piece design, manufactured from the same alloy steel of OEM market, eliminating the weld joint and reaching a high tensile strength at around 1365 Mpa and a minimum hardness of HRC42. Ripper tips are available in various design (shape & size) to meet your specific application requirements. Shank protectors are casted from high strength Boron alloy steel, and mounted for extra wear protection.

MODELS & PART NO.

At F&L, we offer a quite large variety of ripper shanks for bulldozers of different makes. For any inquiries, please send email to sales@fnlparts.com
